

Inspiring Change

A.E. Burgess & Sons Ltd

Environmental Policy Statement

Environmental Policy Statement

A.E Burgess & Sons Limited is committed to leading the industry in minimising or eliminates the impact of its activities on the environment.

The key points of our strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Provide and promote a waste collection service to minimise the environmental impact of both our operation and that of our customer's waste production.
- Meet or exceed all the environmental legislation that relates to the Company.
- Use an accredited program to offset the greenhouse gas emissions generated by our activities.
- A.E. Burgess & Sons Ltd accepts responsibility for the any harmful effects its operations may have on both the local and global environment and is committed to reducing or eliminating them.
- A.E. Burgess & Sons Ltd will measure its impact on the environment and set targets for ongoing improvement.
- A.E. Burgess & Sons Ltd will comply with all relevant environmental legislation.
- A.E. Burgess & Sons Ltd will implement a training program for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.

Mr. R Grundle
